### **Children's Festival featuring Art-Zoo Wonder Gardens**

Gardens by the Bay presents Children's Festival featuring Art-Zoo Wonder Gardens – an outdoor trail featuring larger-than-life inflatable art sculptures!

Join Art-Zoo characters Bruno Bear and Little Kong as they reunite with their Wonder Gardens friends – Cheerful Caterpillar, Radiant Rhino Beetle, Super Speedy Snail, and the Lovely Ladybirds – and create many new memories at the Supertree Grove! Pick up your complimentary trail booklet and discover the fun stories our Art-Zoo friends have to share. Complete the trail activities and get to bring a piece of the Wonder Gardens home.

During the weekends, don't miss the Little Critters' Wonder Workshops where the little ones get to showcase their creativity with activities such as personalising their very own face mask, upcycling banners to create a face mask holder, using pre-loved fabric and buttons to create a tic-tac-toe set, discovering the wonders of shrink art, creating an insect-themed terrarium, or simply enjoying the sensory experience of making their own slime toy! Activities are suitable for children aged four to 12 years old and each child can be accompanied by one adult to enjoy some family playtime together.

#### **Bruno Bear**

Curious and creative, Bruno Bear can't wait to visit his friends and enjoy the sights, scents and sounds of the Art-Zoo Wonder Gardens.

### **Little Kong**

The life of every party, Little Kong loves exploring new places — especially where there are plenty of flora, fauna and fun!

Cheerful Caterpillar is the leader of all creatures at the Art-Zoo Wonder Gardens! She loves inviting visitors to the Gardens where she hangs out and plays all day long.

### **Radiant Rhino Beetle**

### **Super Speedy Snail**

### **Lovely Ladybirds**

Fun-loving and cheery, the Lovely Ladybird siblings love to play hide-and-seek together. However, it's always easy for them to find each other - because they're all so brightly coloured!
